Combines LFP batteries, PCS, EMS, BMS, power distribution, fire protection, and cooling systems in one all-weather unit.

Each BESS container has either a 300kW or 500kW PCS system offering a complete, install ready energy storage system. All system systems are offered with either 400VAC or 480VAC 3 phase ...

The RS485 certified Outdoor ESS Cabinet has a robust and rugged internal and external structure. It is delivered >95% pre-assembled, having already been manufactured, assembled, commissioned, and ...

The IP55 protection level adapts to the harsh outdoor environment, which is perfectly suited to the needs of industrial and commercial energy storage.

The BESS solution delivers utility-grade energy storage for commercial and industrial applications. The system features modular architecture supporting 250kW to 500kW continuous power output with ...

This energy storage system features a 500kW bi-directional power conversion system (PCS) paired with a 645kWh lithium iron phosphate (LFP) battery bank. Designed specifically for ...

Designed for optimal energy efficiency, it supports peak shaving, grid dispatch, and renewable energy integration, providing reliable, scalable, and safe solutions for various applications, including PV ...

The RS485 certified Outdoor ESS Cabinet has a robust and rugged internal and external structure. It is delivered >95% pre-assembled, having already been manufactured, assembled, ...

STRONG OUTPUT FOR LARGE-SCALE APPLICATIONS Delivers consistent, high-capacity power for a wide range of industrial, commercial, and renewable energy applications, ensuring optimal system ...

500kW power cabinet for island applications

This is a 500KW small-scale commercial and industrial energy storage system. It can store electricity through photovoltaic, diesel generators, and other means, with off-grid design.

This system has the following functional features: (1) It can solve the client's problem of capacity increasing and improve the convenience of power use. (2) It can replace the use of diesel generator, ...
