Can a bay window be used as a TV room?

Use your bay window This compact two-room apartment shows what it means to put (limited) square footage to good use with a simple, but novel layout that transforms the area around a bay window into a TV room. It helps that this furniture arrangement is effortless to achieve too.

Can a bay window be used as a dining bench?

So,if you've got a bay window in the living area,use it to your advantage by converting it into a dining bench. In addition to providing the necessary elevation for its users to dine comfortably,the blush red cushion here also serves as a much-welcome pop of colour to an otherwise neutral palette. 5.

What can you do with a bay window?

When life gives you lemons,make lemonade. Similarly,if you find your bay window an eyesore,pull a 180 and turn it into a visual centrepiece for your space. The owners of this apartment in Katong did just that by building an encapsulating structure over their bay window.

Does a bathroom have a bay window?

Bathrooms aren't usually spaces you'd expect to have a bay window. However,this DBSS flat at Boon Keng comes with one that its owners decided to overlay with light marble tiles that juxtapose those on the wall. The result? A hotel-like shower with a view.

Can I put a locker on the bay window On a bay window ledge, one can place large cushions for versatile decoration, turning it into a comfortable seating area and providing an easy view from the window.

Custom bay window balcony lockers can sit on the bay window, turn over the cabinets, sit on the floor cabinets, crack the low cabinets by the bed, tatami cabinets.
