Who is Capetown solar?

At CapeTown.Solar, we specialize in empowering homeowners across Cape Town and the Western Cape with reliable, sustainable, and cost-effective solar solutions. At CapeTown.Solar, we specialize in empowering businesses throughout Cape Town and the Western Cape with reliable, scalable, and cost-effective commercial solar solutions.

Why should you choose a solar aircon service in Cape Town?

Use clean, renewable energy that reduces your household or business's environmental impact. Solar installations make homes and commercial buildings more attractive to buyers and tenants-- a smart long-term investment. Book your aircon service with Cape Climate today -- the team Cape Town trusts to keep things running right.

What types of solar solutions are available in the Western Cape?

Large-scale solar installations for businesses, including rooftop, ground-mount, and containerised solutions. Specialised solar solutions for farms and agricultural operations, including irrigation and processing facilities. Custom solar solutions for homes across the Western Cape, designed to eliminate load shedding and reduce electricity costs.
