How can beweship simplify your container logistics?

Simplify your container logistics! Beweship is a prominent freight forwarding and transportation company that offers a comprehensive range of logistics services, including cost-effective container shipping (FCL and LCL) worldwide through its extensive agent network. Cost effective sea freight worldwide.

Where can I return a reefer container in China?

The containers can be returned to any main harbour in China. You are free to rent the containers for 60 days. In Vuosaari, Helsinki, we provide professional handling, storage and monitoring services for reefer containers. We also provide depot operations with customs terminal permits in Helsinki and Kotka.

What facilities does Helsinki Vuosaari have?

Our Helsinki Vuosaari logistics centre has a railway terminal, a heavy goods handling hall and a flow-through terminal. The railway terminal has a 250-metre indoor railway track, a covered loading dock for vehicles and 23 hydraulic container loading platforms for moving and loading containers.

Where is the handling hall for heavy goods located?

Our handling hall for heavy goods is located in Vuosaari, Helsinki, next to the port area. Thanks to its excellent location, we are able to transport large and heavy loads directly from the warehouse to the port. Our own chemical terminal has the status of a top-class safety clearance facility.
