How much does a shipping container cost in 2024?

Let's get into the shipping container market prices for 2024. The prices show substantial variations that depend on container conditions and locations. The current market shows new one-trip shipping containers ranging from \$2,800 to \$7,800. Used containers give buyers more budget-friendly options at \$1,400 to \$3,500.

What is a full container load (FCL)?

Full Container Load (FCL): This refers to moves or shipments where you pay for an entire shipping container. This means all your goods are shipped together as one and means no one else's goods are shipping in your container. Shipping companies generally prefer when people pay for FCL as it makes the logistics at both ends much simpler.
