What is China Huaneng Group's deal with Huaneng Renewables?

China Huaneng Group has obtained CNY 15 billion (\$2.1 billion) in equity financing for its renewable energy subsidiary, Huaneng Renewables, from five major state-owned entities. The deal, the largest renewable equity financing transaction of 2024, will reduce financial pressures for Huaneng Renewables and support its wind and solar projects.

Who is Huaneng Renewables?

Huaneng Renewables - founded in November 2002 with CNY 10.57 billion of initial registered capital - is a key platform for developing and operating renewable energy projects, including wind and solar power. Huaneng Group remains its largest shareholder.
