-----

OVO Energy requests FiT readings quarterly, specifically during the months of March, June, September, and December. They will send you an email reminder at the start of these months ...

The good news is that it's easy to submit meter readings in your OVO account. We'll also send you reminders to give us your meter readings each month. That way you'll never miss one again! See ...

Find out everything you need to know about the FiT scheme, which closed in 2019, and the Smart Export Guarantee that replaced it.

New to OVO?

Select one of the help categories below, or use the search bar to find specific answers.

Here's everything you need on how to pay your energy bills at OVO Energy. From setting up and managing your Direct Debit, to choosing an alternative payment method - it's all in this handy guide.

Who should we make FiT payments to? Your FiT payments will be paid quarterly into your bank account.

Fortunately for most people, as the wonderful FiT scheme pays regularly quarter after quarter, it's no hugely big deal whether quarterly payments come promptly as with E.on or come ...

Feed in Tariff (FIT) or Smart Export Guarantee (SEG) payments - who to contact if I have a query? Hope this helps!

I have an outstanding problem concerning FIT payments for several periods whilst my smart meter was faulty and subsequently replaced. Despite sending numerous emails and trying to ...
