Who owns Potomac Edison Company?

Potomac Edison Company is a subsidiary of First Energy, and has affiliated utilities operating in Pennsylvania, Virginia and West Virginia. The utility provides electric service to 285,000 Maryland customers in Allegany, Washington and Frederick Counties, and portions of Carroll, Howard and Montgomery counties.

Does Potomac Edison have energy choice?

If you are currently served by Potomac Edison utility, you have Energy Choice. That means that you can shop for competitive electric service plans from other suppliers and lock at a cheaper price per kilowatt-hour of electricity. It never hurts to check what rates are on offer in your area - just enter your zip code to compare.

Is Potomac Edison a regulated electric company?

As part of the FirstEnergy family, Potomac Edison is one of 10 regulated electric companies that collectively provides power to roughly 6 million consumers. Since the energy supply market in Maryland is open, electricity supply is available from multiple retail supply companies in addition to the electric utility, Potomac Edison.
