What is smart PV warranty services?

UK PSTI STATEMENT Smart PV Warranty Services provides Warranty Services about HUAWEI FusionSolar Utility?C&I?Residential and HUAWEI FusionSolar SmartPVMS,if any product quality defects occur during the warranty period,HUAWEI will provide free services based on the specified service level and scope.

Does Huawei smart PV have a warranty?

The table above provides warranty descriptions for Huawei Smart PV's products, devices, and solutions. These descriptions reflect the general warranty services. However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements.

What is the difference between battery warranty and power module DCDC?

Battery warranty is defined as when the battery pack reaches the warranty period or the life cycle discharge is completed, the remaining capacity EOL meets the specification requirements, and the first comes into effect; the power module DCDC only involves the warranty period and has nothing to do with the battery performance.
