What is outdoor battery enclosure?

The outdoor battery enclosure is a housing, cabinet, or box that can be used outdoor and specifically designed to store or isolate the battery and all its accessories from the external environment. Outdoor battery enclosures keep your batteries safe from weather and safe from theft.

How many batteries can a fogstar Energy Cabinet hold?

Connect up to 32 (31 with Victron) batteries together for a maximum potential capacity of 163.84 kWh - across 4 outdoor cabinets. Each cabinet houses up to eight Fogstar Energy 5.12kWh batteries, providing a massive potential storage capacity of 40.96kWh.
