Who is the new Secretary of energy?

Secretary Wright was nominated by President Trump to serve as the 17th Secretary of Energy on November 16, 2024, and confirmed by the U.S. Senate on February 3, 2025. Secretary Wright was confirmed in a bipartisan vote of 59-38. Seven Democrats and one Independent voted across the aisle to confirm Wright's cabinet appointment.

Who is the 17th Secretary of energy?

The 17th Secretary of Energy, Chris Wright, was sworn in yesterday evening. In light of his confirmation, DOE shared a statement from Secretary Wright: "Thank you to President Trump and the United States Senate for entrusting me with the great responsibility of leading the United States Department of Energy," Secretary Wright said.

Is the new Department of Energy heading into a new era of energy amplification?

The new Department of Energy, under Wright's leadership, is clearly headed into a new era of energy amplification. His pro-growth attitude and pro-innovation approach are set to reframe U.S. energy policy for years, if not decades, to come.

What can ECA do with secretary Wright?

ECA looks forward to working with Secretary Wright on issues and opportunities within DOE, and the EM, NNSA, and NE programs that are relevant to our member communities. The 17th Secretary of Energy, Chris Wright, was sworn in yesterday evening.
