Recognized and demanded by organizations worldwide, the PVIP Board Certification validates your competence to perform in the role of PV Installation ...

d certification, equipment, and warranties for solar photovoltaic (PV) equipment and systems. It discusses a selection of programs and rules in these areas to highlight various means by ...

AlabamaAlaskaArizonaArkansasCaliforniaColoradoConnecticutDelawareDistrict of ColumbiaFloridaLicensing (general) 1. A contractor's license is required: a C-46 Solar Contractors License or "A" General Contractors or "B" General Building Contractors License 2. C-46 is the Solar Contractor licensing classification for solar (PV and thermal) installations and maintenance. The C-46 Solar Contractor license covers active solar water and space heating and cooling systems.
